MISSOURI STATE NEWS.

New Woman in Court. The divorce suit of Dr. Nannie Ste vens against Ralph Stevens was on trial in Kansas City the other day. On the witness stand Dr. Stevens said her husband called her a "she doctor" ic a tone of voice that implied contempt. As an instance of his rough conduct toward her she related that once she was consulting with another doctor downstairs, when the baby, which was

in bed with its father upstairs, began to cry. She went up and said to him: "Why didn't you put that baby to sleep," and he told her he was not going to "feed her if she did not attend to her household duties." At another time she had been up all night with a typhoid fever patient, and in the morning telephoned to her husband to send sales the carriage for her. She had to walk home, and when she reproached him for it, he replied: "A little walk will do you good." Dr. Stevens said that when she got home that morning he

Grand Lodge Missouri Masons. The Masonic grand lodge of Missour met at Jefferson City a few days ago. There were about 350 delegates in attendance. In his address Grand Master J. B. Thomas said that the year has been a prosperous one for the order in Missouri. Six new lodges have been organized. The report of Grand Secretary John D. Vincil showed the financial condition of the grand lodge to be excellent. There is a balance of \$33,319.16 in the treasury.

didn't even have breakfast ready.

Officers for the ending year were elected as follows: A. M. Hough, Jefferson City, grand master; Dorsey A. Jamison, St. Louis, deputy grand master; F. J. Tygard, Butler, senior grand warden; E. F. Allen, Kansas City, junior grand warden; S. M. Kennard, St. Louis, grand treasurer; Dr. John D. Vincil, St. Louis, grand secretary.

Prof. Howard Beers Gibson. Prof. Howard Beers Gibson, of the University of Missouri, Columbia, died the other morning. He had been iil with typhoid fever for three weeks, and for several days his death had been hourly expected. Since September 19, 1894, Prof. Gibson had been professor of chemistry in the university, and was one of the most popular members of the faculty. He was born at Washington, Conn., thirty-one years ago, and graduated from Harvard at an early age. The remains were taken to Connecticut. In speaking of his death, President Jesse said: "He was an able scientist and an admirable man from every standpoint. His death is a great loss to the univer-

CORDAGE WORKS BURNED.

Destruction of the Empire Cordage Ca.'s Factory at Champaign, Ill.—One Life Lost—Two Hundred and Fifty Employee Throw Out of Work.

CHAMPAIGN, Ill., Oct. 19.-The En pire Cordage Co.'s works here were burned to the ground Thursday evening. The estimated loss on buildings and machinery is \$100,000, and there is \$90,000 insurance on them. The company manufactures commercial twines of all varieties, and in up a large trade both in the east and west. It had in its employ 250 men, women and children, who are all thrown out of men being profitably employed and considerable coarse gold thrown out of men being taken out the rukon, which, he says, are showing up well, a large number of men being profitably employed and considerable coarse gold thrown out of men being taken. thrown out of work by the fire. The plant had been running night and day for several weeks to catch up with the the female seals in the open sea, and

When the alarm bells throughout the building were turned on the employes made a frantic rush for the stairways, and many of the boys and girls were trampled under the feet of the riously injured. With the exception of Henry Bradfield, it is supposed they all got out. He was the only person at work on the third floor. He has not been seen since the fire. Foreman Freeman thinks that Bradfield was burned alive.

The water pressure was exceedingly The water pressure was exceedingly light and President Gratz lays the loss main in port for a time, we should to this failure. After hard work the firemen saved the brick warehouse, 200 feet squre, located within 100 feet of the main building. There is stored in it upward of \$70,000 of raw and finished goods.

A DRAMATIC INCIDENT

In the Trial of Maud Lewis, at St. Louis, for Killing Peter Morrissey.

Sr. Louis, Oct. 10.-In the case of Maud Lewis, on trial for the murder of State Senator Peter Morrissey, the state placed Wm. Smith, a reporter, on the stand to prove that the Lewis woman said she killed Morrissev. It developed, however, that Reporter Smith had asked her to make a statement that Morrissey had uttered a word or two after he was shot, tending to show that he was sensible at the time of his death. Morrissey was the progressive element. a Catholic, and St. Louis priests had refused to officiate at the funeral, on the ground that Morrissey had died in his sins. Reporter Smith wanted to secure an admission from the woman that Morrissey had cried out: "O! My God," and then he would tell the priest, who would then officiate at the funeral. She fore, it may be necessary for Japan to agreed to do so, provided the family of Morrissey and the police would not use the statement against her at the trial. The Lewis woman was then placed on the stand and said that European powers. Smith and others endeavored to innd three indictments for obtaining not use the affidavit against her. This

Postroyed Little Incurios to Co In the Operations of the Behring Sea Floet for the Season Just Closed, and, In-eldentally, the Yucon Mines, Which, He Says, Are Showing Up Well, Employing a Large Number of Men.

WASHINGTON, Oct. 12. - Capt. Hooper broke out in Algiers, opposite this city last night, continued burning until 9 of the United cutter service, in command of the Behring sea fleet duro'clock this morning. When it was got-under control but very little was left-to burn. Two hundred and forty ing the past season, has made an elaborate report of the operations of the fleet to the treasury department.

Among the points touched upon are
the mines of the Yukon, which, he houses were burned in all.

The insurance is said to be very light, and the loss is therefore almo total. It is estimated that the loss in fully \$400,000, but it will be several days before it can be accurately

ALGIERS, LA, BURNES

The fire originated in an Italian's. contectionery and fruit store, and everything seems to prove it was in-

So intense was the feeling against. the suspected man that if he could have been found early this morning he would have undoubtedly been lynched. He was arrested to-day and rought over to New Orleans for safe

The Algiers police station, the court-house and jail were burned, togetherwith some of the court records of Algiers. These include court-incidents, marriages, etc., for many years past. The courthouse was an historic one, having been erected about the year-1808 and was originally a grand family

A subscription for the relief of the homeless people, who number about.
700, has been started and has been liberally responded to. The public school buildings have been thrown open to them and many have found

shelter there. Thousands went over from New Orleans to-day to view the ruins. About 6 o'clock the ferry incline on the Algiers side of the river gave way and precipitated probably 100 persons to the ground. Fortunately the river is low or the accident might have been serious. Five or six only fell in the water and were rescued. One young man had his leg broken.

WAR WITH ENGLAND.

The Monroe Doctrine Can be Enforced Only by a Resort to Powder and Ball. CHICAGO, Oct. 31 .- A special to the Evening Post from Washington says: From the present outlook it appears. impossible to avoid a conflict between the United States and Great Britain over the Venezuelan-Guiana boundary dispute.

If the Monroe doctrine is to be enforced, as administration authorities. declare that it is to be, it can only be. enforced by a resort to powder and All reports from England agree that.

the British authorities will not recede The Report of the Visiting Commission from their position and that they will not submit to arbitration one iots of their claims. Venezuela looks to the United States.

> to aid her in preventing British aggression. President Cleveland will go to Atlanta to-day, but before he departs hewill leave instructions to the secretary of the navy which will enable the

department to proceed at once to maintain the Monroe doctrine. The Indiana, which was put through her acceptance trial Friday, will be placed in commission at once. Capt. Robert D. Evans, who will command her, expects to be ordered to the Venezuelan coast at once. He will sail unplaced in proper condition for a sum der sealed orders. This means that. his instructions will not be made publie in advance, but "Bob" Evans is a fighter, and everyone who knows him realizes that the entire British navy

cannot bluff him off. The situation here to-day is more gentleman from Salineville, O. who is serious than it has been any time since thoroughly acquainted with the the controversy started. The presimining situation in that part of the dent is anxious and worried. LONDON, Oct. 21. - The Daily Graphic, in an article on the Auglo-Venezuelan. dispute, says: President Crespo will not fail to understand that British patience in this ancient quarrel hascome exhausted. The Venezuelans have lately adopted a perfectly intolerable attitude

AMATEUR BANK ROBBERS

lieved the miners as a class are Make a Fallure-One of Them Captured

BUTTE, Mont., Oct. 21.-Two amateur bank robbers attempted to blow up and rob Hoge, Daily & Co.'s bank at Apaconda shortly after 4 o'clock yesterday morning. Two clerks, E. L. Kunkel of the president, a medal of honor was and Thomas Hemmerle, were asleep in the building and were awakened by a noise. They got up and were about toirwestigate, and as they reached the for distinguished gallantry in action street a frightful explosion took place which shook the building, shattered the plate glass and burst open the big

zault. A crowd of citizens and policemen were soon at the scene and one of the robbers standing on the roof of the building was caught and recognized as a mechanic named A. L. Firpo. Hesaid he had a partner in the attempted robbery, but he escaped and he refused to give the man's name

GREAT POLITICAL LEAGUES

THE Cadeian league was a name given. to one of the leagues of God's ho the Grisons canton. PITTSBURGH, Pa., Oct. 19.-Christo-THE Holy Alliance of 1609 was formed pher Schaeffer, senior member of the

by the Catholic party in opposition to-the Evangelical Alliance, which consisted of most of the princes of the German Protestant stat THE League of Public Evil. 1495, was

a name applied to the League of Public Good, because the people for whose benefit that organization was supposed to be formed were almost entirely ignored by those in control.

The League of Armed Neutrality was a convention, originally formed in

Sweden. The states general subse quently entered this league, and it was also joined by the king of Prussis on May 8, 1781, and by the kaiser October 9 of the same year. THE League of Argon, formed B. C.
